

# CERTIFICATE OF ACHIEVEMENT

This is to certify that

**Rubbens Maxim**

as an active participant, has successfully completed:

## International Multimedia/ICT Week

- one week-long event organized by IBA International Business Academy in Kolding, Denmark, between **4th April and 8th April 2022**.

**Rubbens Maxim** worked actively as part of a multicultural team, on projects requiring problem-solving skills with an academic but nevertheless practical mindset. Of crucial importance over the various weeks were time management, cross-cultural communication and team spirit.

These successfully completed projects increase skillsets, in terms of international competences and intercultural communication; providing valuable insight into multicultural workplaces, bringing the students into closer contact with a global mindset, and making them more attractive in terms of global employability.
